Dr. Raymona Lawrence to receive award

October 28, 2011

OCT 28, 2011 – Dr. Raymona Lawrence, Assistant Professor of Community Health, and recent graduate of our JPHCOPH DrPH program, is receiving an important award at the upcoming APHA meeting in Washington, D.C. The “New Investigator Award” for the APHA Genomics Forum, is being given to Dr. Lawrence for her dissertation research, “National Collegiate Athletic Association mandated Sickle Cell trait screening policy: Implications for the athlete.”

Dr. Lawrence will receive this award on Sunday October 30 at 8:00 am during the business meeting of the APHA Genomics Forum. Congratulations and thank you to Dr. Lawrence.
